T.R.A. DOCKET ROOM

July 5, 2005

Ron Jones, Chairman
Tennessee Regulatory Authority
460 James Robertson Parkway
Nashville, TN 37243-0505

Re: *In Re: Petition to Establish Generic Docket to Consider Amendments to Interconnection Agreements Resulting from Changes of Law*
Docket No.: 04-00381

Dear Chairman Jones:

There were two errors in the filing made July 1, 2005, by CompSouth SECCA, and XO in response to BellSouth's Motion for Summary Judgment.

First, ACCESS Integrated Networks, Inc. should not have been included among the CompSouth members listed in footnote 1.

Second, the Joint CLECs do not propose to litigate the issue of whether BellSouth's refusal to combine DSL with a UNE-P line violates the FCC's commingling requirement. (Issue 14B in BellSouth's Motion.) The TRA has already ruled on this question (Docket 01-00987), and the FCC is currently conducting an investigation as to whether BellSouth's refusal to sell DSL to a UNE-P customer is discriminatory and anti-competitive. (Wireless Competition docket 03-251). In light of these developments, the CLECs do not believe it necessary for the TRA to take any further action at this time on the application of the commingling rule to DSL combined with UNE-P. We will work with BellSouth to remove that issue from those to presented to the agency.

Very truly yours,

BOULT, CUMMINGS, CONNERS & BERRY, PLC
